Structure of studies in S6-S7:

A: Subjects

Mandatory
courses

*May depend on
optional course
choices (B)*

B: Options

4 period course

Min: 2

Max: 4

C: Advanced

Advanced course
In L1, L2 or Math

D: Additional courses

2 periods

Total: min **31** \leq Periods \leq max **35**

- **Minimum 29** periods from the compulsory subjects and options (*columns A, B and C*)

Derogation: the limit of 35 periods may be exceeded to up to 36 periods

The choice grid:

- 4 columns (A,B,C,D)

- One line per period of the timetable

Subjects on the same line are mutually exclusive

4 period course = 4 lines

2 period course = 2 lines

• How to choose?

How to choose?

- What do I see myself doing in 10 years' time?
- What are my interests, what kind of career do I imagine I will pursue?
- What am I good at?
- What kind of further education or training will I need? In what country and language?
- What preparation do I need in S6-7 for entry to my choice of further education?
- What grades have I got so far in the subjects I am interested in?
- Do my teachers think I can succeed at the subjects I am choosing?
